

"OSG Corporation Global Technology Center & Oike Plant"

A tour to OSG Corporation Global Technology Center & Oike Plant will be held as a Leadership Development Seminar (LDS) ["monozukuri" tour]. The company is one of the global leading makers of "Cutting Tools". The tour offers you an opportunity to visit and observe their factory and to take a special technical lecture of importance of cutting tools in manufacturing, history of innovation and so on. Your participation is highly welcome.

- **Place:** OSG Corporation Global Technology Center (149 Miyamae, Ichinomiya, Toyokawa, Aichi)
Oike Plant (450 Kamishinkiri, Ichinomiya, Toyokawa, Aichi)

- **Date:** Monday, August 29th

Meet in front of JR Mikawa Ichinomiya Station at 13:15 and move by the charter bus. End at 18:00 at JR Toyohashi Station. Free to participate to the tour. Transportation expenses will be paid by LGS later.

- **Schedule (expected)**

13 : 15	Meet in front of JR Mikawa Ichinomiya Station.
13 : 30~15 : 00	Lecture (introduction of the corporation, Importance of cutting tools, and so on).
15 : 00~15 : 30	Global Technology Center Tour (English explanation will be available.)
15 : 30~15 : 45	Move to OSG Oike Plant by charter bus.
15 : 45~16 : 45	Oike Plant Factory tour (English explanation will be available.)
16 : 45~17 : 00	Question and answer session
17 : 00~18 : 00	Move to JR Toyohashi Station by charter bus
18 : 00	Break up at JR Toyohashi Station

- **Remarks for participation**

The requirements and conditions to participate the LDS series will be also applied to the tour, such as tardiness prohibition, report submission and so on. Attendance to the tour is equivalent to that to a LDS regardless of the tour duration. Unlike the other LDS series, application is necessary because of the preparation. The tour explanation can be provided in either English or Japanese and the language preference should be specified in the application.

- **Remarks for international students**

Some international students may not be applicable due to the restriction given by the Foreign Exchange and Foreign Trade Act. For this restriction, you are required to describe the nationality and the residence (months) in Japan. Your understanding and cooperation are highly appreciated.

- **Application**
