

Leadership Development Seminar [category-4: "monozukuri" tour]

"Toyota Motor Corporation Motomachi Plant"

A tour to Toyota Motor Corporation Motomachi Plant will be held as a Leadership Development Seminar (LDS) ["monozukuri" tour]. The company is one of the largest worldwide automotive manufacturers. The tour offers you an opportunity to visit and observe their factory and to take a special technical lecture for the production of automotive bodies and the application of digital engineering. Your participation is highly welcome.

- Remarks for participation

The requirements and conditions to participate the LDS series will be also applied to the tour, such as tardiness prohibition, report submission and so on. Attendance to the tour is equivalent to that to a LDS regardless of the tour duration. Unlike the other LDS series, application is necessary because of the preparation. The tour explanation can be provided in either English or Japanese and the language preference should be specified in the application.

- Application

Please fill out the following web registration form:

<https://www.frontier.phys.nagoya-u.ac.jp/websystem/admission/form/?id=168>

The application will be closed on Monday, June 15th, 5:00 PM. Note that the application will be closed as soon as the number of applicants reaches the limit. (20-30 persons).
